## Quote for

Family Photos

Package Name	Package Details	Photo Count	Price
<b>Basic Family Photos</b>	This package includes a few candid family moments, posed family portraits, individual portraits of every family member, Small family group shots (IE mom & dad, kids groups, grandparents & kids etc.)	50+	\$200
<b>Family Fun Photos</b>	Do you find family photo day stressful to you and your family members? Our Family Fun Package can take the stress out of the situation and allow everyone (including mom) to enjoy their time in front of the lens! This package features mostly candid family moments as well as some <i>lightly</i> suggested poses from the photographers. Keeping the pressure off of the parents and keeping away from the "sit still!" moments that come with family photo day!	50+	\$275
<b>Extra Fun Photo Requests</b>	Has a certain photoshoot online caught your eye? Do you feel inspired and have a great/ fun idea in mind? Pumpkin smashing? Cake smash? Smoke bombs? No worries! Anything requiring more than our regular 1 hour or shooting time will be an additional cost per hour during shooting and will not have any extra fees applied to editing time! (we can let you know ahead of time if this will be required for your booking after discussing what you're looking for from your session! No surprise fees will be added without client knowledge!)	TBD by photographers/client	\$100/hr

**2 Photographers are present at all family photoshoots unless otherwise stated at the time of booking.**

\*Please note- all bookings outside of the town limits of Houston B.C. require travel fees of 40 cents/km traveled & all travel bookings require a non-refundable 20% deposit upon booking.
